

Module 4: Personal Development II Reflective Assignment

ACTIVITY: Work Preferences Index Results

Based on the online assessment for Work Preferences what were your results? Write down the number beside each letter.

A: 5 B: 6 C: 6 D: 7

Reflective Question:

As you read through your results of this index, do you notice anything regarding your work style, preferred roles, managing style, what you work well with, and etc? Do your results describe you? Why or why not?

My results in this test were confusing as three of the columns were highlighted, and the unhighlighted column (focus) was unsurprising (I have ADHD).

ACTIVITY Personal Mission Statement

Based on the personal mission statement, please compose a 25-50 word mission statement.

My Personal Mission Statement: To truly enjoy my time on this earth and be free to do as I please. I will return the favor to the earth, and those around me.
